SUMMARY

Multimedia & Web Developer trained in Japan for 4.5 years. Skilled in full-cycle video production, motion graphics, and responsive UI development (Next.js, React, Tailwind CSS). JLPT N2 / Native Cantonese.

WORK EXPERIENCE

WIZ Technology Co. Ltd	Nov 2025 – Feb 2026
Programmer	
- Worked on the frontend of an enterprise payroll system using Next.js 16 (Turbopack) and the company's base module, building UI and interactions for salary calculation and report generation. - Used Tailwind CSS and RizzUI for styling and responsive design, leveraged Turbopack for faster development, and joined code reviews and API integration tasks.	
Freelance Web Developer & Photographer	May 2025 – Sep 2025
Web Development	
Built a brand-new responsive corporate website for a security services firm from scratch using Next.js & Tailwind CSS, improving site traffic and lead generation.	
Photography	
Delivered end-to-end event photography and video production for corporate clients with high-quality color grading and editing.	
SJM Holdings Limited	Sep 2018 – Apr 2020
Senior Multimedia Designer	
- Executed end-to-end multimedia campaigns for Macau's premier gaming and hospitality brand, producing high-impact video content for TVCs and YouTube. - Collaborated with cross-functional marketing teams to streamline motion graphics production, driving a 20% increase in event participation.
